📍 #Northbridge Road, Toek Thla, Sen Sok Phnom Penh, Cambodia

Sex: Male | **Date of birth:** 30 Jan 2004 | **Nationality:** Cambodian

As a recent graduate with a solid foundation in Java, Spring, and SQL, I'm ready to bring my passion for backend development to a dynamic team. With hands-on experience in database design, I'm eager to contribute to innovative solutions in backend development and work alongside your team. My familiarity with Agile practices ensures that I can collaborate effectively and adapt to fast-paced environments.
